MM Docket No. 92-248

In the Matter of

Amendment of Section 73.202(b), RM-8105
Table of Allotments,
FM Broadcast Stations.
(Southern Shores, North Carolina)

NOTICE OF PROPOSED RULE MAKING

Adopted: October 13, 1992; Released: November 19, 1992

Comment Date: January 11, 1993

Reply Comment Date: January 26, 1993

By the Chief, Allocations Branch:

1. The Commission has before it the petition for rule making filed by Joseph A. Booth ("petitioner") requesting the allotment of Channel 265C2 to Southern Shores, North Carolina, as the community's first local aural transmission service. Petitioner states that Southern Shores is an incorporated community in Dare County, with a 1990 U.S. Census population of 1,447 persons and that he will apply for the channel, if allotted.

2. We believe the public interest would be served by proposing the allotment of Channel 265C2 to Southern Shores, since an interest has been expressed in providing the community with its first local FM service. Channel 265C2 can be allotted to Southern Shores in compliance with the Commission's minimum distance separation requirements without the imposition of a site restriction.¹ We recognize that this allotment is short-spaced to the allotment coordinates for Channel 266C2 at Belhaven, North Carolina. However, a construction permit (BPH-861103IG) has been issued to Station WKJA at Belhaven at coordinates which do not conflict with this proposal. Therefore, final action on this proposal may be withheld pending the licensing of Station WKJA at the site specified in its outstanding construction permit.

3. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before **January 11, 1993**, and reply comments on or before **January 26, 1993**, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

6. IT IS FURTHER ORDERED, That the Secretary SHALL SEND a copy of this *Notice of Proposed Rule Making*, by REGISTERED MAIL, RETURN RECEIPT REQUESTED, to the following: Station WKJA, Spirit Broadcasting, Inc., P.O. Box 3837, Wilson, North Carolina 27893.

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. *See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules*, 46 FR 11549, February 9, 1981.

However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served
